## 6.0 PHA Plan Elements

### 1. Eligibility, Selection and Admissions Policies including Deconcentration and Wait List Procedures

**Eligibility:** OHA verifies eligibility for both Public Housing and the Housing Choice Voucher Program by requiring proof of Social Security Number, Proof of Birth, Proof of Identity and Third Party income verifications. Upon selection from the waiting list, each potential participant is screened for criminal activity for all programs. The agency further checks various databases that keep track of prior federally subsidized tenants and their potential debt to those agencies.

**Admission Policies:**

OHA has a first come, first serve for Public Housing with an exception for either income targeting or deconcentration.

OHA has the following non cumulative preferences for the Housing Choice Voucher Program:

- Natural Disaster

- Graduating Participants of Approved Transitional Programs (Homeless Veterans,

- Domestic Violence, and Disabled Clients Leaving Long Term Nursing Home Care.)

Except for preference the waiting list is maintained on a first come, first serve basis.

**Waiting Lists:**

OHA maintains separate waiting lists for each program. All waiting lists are currently open except for the Section 8 Housing Choice Voucher Program. The agency has no site based lists. Applicants may be on any waiting list they choose, utilizing one application.

**Income Targeting:**

OHA maintains the federal income targeting requirements.

**Deconcentration:**

Although there are currently no Public Housing units covered by deconcentration, the agency pursues every opportunity to encourage expanded choices for every applicant.

The Housing Choice Voucher Program in an effort to expand housing choices entered into an Interlocal Agreement with Weber Housing Authority to allow each agency to operate Housing Choice Voucher program in their respective jurisdictions.

<b>4. Other income (list below)</b>		
Interest	800	Operations
<b>Total resources</b>	<b>7,714,800</b>	

### 3. Rent Determinations:

OHA has established minimum rent for all programs at \$50 except for Shelter Plus Care and HOPWA; In addition, OHA has adopted Flat Rents for Public Housing reflective of the current market.

Housing Choice Voucher Program payments standards are set at 90 to 110% of the Fair Market Rent.

### 4. Operations and Management:

OHA maintenance management policy is to meet or exceed HUD's required guidance on owned units. The agency strives to turn units timely to insure that there is a 98% or better occupancy. Maintenance strives to complete work orders within 4 days and 24 hours for emergency work orders. Dwelling units, both interior and exterior, common areas, and grounds are inspected annually. Preventative work is done throughout the year for common maintenance problems. Pest control is performed quarterly for each unit to prevent infestation or eradication of pest.

**5. Grievance Procedures:**

OHA operates a Public Housing Program and has a grievance procedure requiring tenants to request a grievance hearing within 15 days of the grieved action. A hearing officer will hear a grievance within a reasonable time if the tenant has requested timely. In the event of non payment of rent, tenant shall deposited rent in question into an escrow account.

OHA provides both an informal review for applicants of all programs denied assistance, requiring applicants to request the hearing within 15 days for the agency action.

OHA provides a hearing for HCV participants that are terminated from the program and all participants or applicants that are denied due to citizenship that request a hearing within 15 days of any agency action (no hearing for voucher expiration).

All hearings are conducted by a staff person at Manager Level or above who did not make or approve the decision under review.

**6. Designated Housing for Elderly and Disabled Families:**

Currently the housing authority has not designated any projects for Elderly and/or Disabled.

**7. Community Service and Self-Sufficiency:**

OHA operates both a Community Service program for Public Housing residents and a Family Self Sufficiency Program for Housing Choice Voucher Program. The agency interacts with various other agencies to provide self sufficiency resources and referrals to all clients.

**8. Safety and Crime Prevention:**

OHA has both the Public Housing staff and the Housing Choice Voucher Program attend the Ogden City Community Policing monthly meetings; encourages Neighborhood Watch Programs and hires auxiliary security when required.

**9. Pets:**

OHA has a pet policy for Public Housing, allowing no more than one non-threatening or disturbing pet, less than 20 lbs, with vaccination and shot records and current license. OHA allows service animals and companion animals upon receipt and approval of a Request for Reasonable Accommodation.

**10. Fair Housing:**

OHA has a written policy instituting on going training of staff and clients, distribution of literature, and a staff person is represented on the local Fair Housing Committee.

**11. Fiscal Year Audit:**

The housing authority's most recent audit was for the year ending June 30, 2010. The audit was completed by Haynie & Company. The housing authority received an Unqualified Opinion. The audit report can be reviewed at housing authority's office, 1100 Grant Avenue, Ogden, Utah 84404

**12. Assets Management:**

The housing authority did not participate in the conversion of Asset Management due to it size. However, the agency will continue to budget and apply correct accounting practices to insure cost are known, managed, and maintained at reasonable levels. In addition, the agency will continue to look at the long term needs of its housing inventory and plan to invest its capital

grants accordingly. As capital improvement needs are more than the funding allows at each site, to include the safety of the tenants, the agency will consider a disposition.

**13. Violence Against Women Act (VAWA):**

The agency recognizes VAWA as protection from denial of rental assistance or admission into a program that the applicant would otherwise qualify. Further, an incident or incidents of actual or threatened domestic violence, dating violence or stalking will not be construed as serious or repeated violations of the lease or other “good cause” for terminating tenancy. When responding to an incident, the agency, may request in writing the HUD-approved certification form or a police report.

**7.0 Hope VI, Mixed Finance Modernization of Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-Based Vouchers**

**a. Hope VI, Mixed Finance Modernization of Development. Not planned**

**b. As indicated in the agencies Five Year Plan, the housing authority will consider the Demolition/Disposition of the following projects:**

**Sierra Apartments.** The location and size of these units are as follows:

235 28<sup>th</sup> Street, Ogden, Utah (4 – 3 bedroom & 4 – 2 bedroom Units)

251 28<sup>th</sup> Street, Ogden, Utah (4 – 3 bedroom & 4 – 2 bedroom Units)

2865 Childs Ave., Ogden, Utah (6 – 1 Bedroom & 6 – 2 Bedroom Units)

The agency has difficulties associated not only with physical deterioration, but also with the overall deterioration of the surrounding community.

**924 24<sup>th</sup> Street.** Housing Authority acquired office building located at this site for administrative offices. Building is not feasible as cost estimates are high and exceed budget. Building has 18000 square feet of office space with 9000 square feet of storage below grade. The housing authority plans to dispose of this building and adjoining land.

**c. Conversion of Public Housing. Not Planned**

**d. Homeownership Program:** The housing authority will continue to administer its Section 8 Homeownership program pursuant to Section 8(y) of the U.S.H.A. of 1937, as implemented by 24 CFR part 982 and according to the Admission Policy. The housing authority will partner with other agencies to arrange pre-purchase counseling and training.

**e. Project Based Vouchers:** The housing authority will consider “project-base” tenant-based Section 8 vouchers in the coming year as a strategy to meet special needs populations (homeless, disabled, veterans, victims of domestic violence, etc.) as well as support longevity and availability of assisted housing to low income projects over the long term. The housing authority, when vouchers are available, will competitively advertise for projects in need.

## 9.1 Strategy for Addressing Housing Needs

The housing authority will continue to utilize the budgets it receives from HUD to serve the needs of the families that apply for housing assistance. The agency, as of December 31, 2010, utilized 99.8% of the vouchers/budget it administers and strives to keep its public housing occupancy above 98%. The housing authority continues to look for opportunities for additional funding sources or opportunities to partner with other agencies to meet the needs of our clients. The housing authority was recently awarded twenty-five HUD VASH vouchers and has applied for five HUD Project Base VASH vouchers to serve homeless veterans. In addition, the housing authority has applied for FUP (Family Unification Program) vouchers to serve up to 50 families that are in need of losing their children due to inadequate housing or youth that are aging out of foster care.

The housing authority will continue to work towards the following strategies to address housing needs.

### ***Need: Shortage of affordable housing for all eligible populations***

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

- Employ effective maintenance and management policies to minimize the number of public housing units off-line and vacancy turn around time.
- Insure public housing waiting list is properly maintained and utilized to meet the housing needs for applicants.
- Reduce time to renovate public housing units.
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

**Strategy 2: Increase the number of affordable housing units by:**

- Apply for additional Housing Choice Vouchers as they become available.
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.

### ***Need: Specific Family Types: The Elderly***

**Strategy 1: Target available assistance to the elderly:**

- Seek designation of public housing for the elderly, if feasible.
- Apply for special-purpose vouchers targeted to the elderly, should they become available

***Need: Specific Family Types: Families with Disabilities***

**Strategy 1: Target available assistance to Families with Disabilities:**

- Carry out modifications needed in public housing as funding allows.
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities

**10.0 Additional Information**

**a. Progress in Meeting Goals**

**The housing authority has made the following progress in its stated goals as outline in the Five Year Plan 2010-2014 – OHA's comments are in italics**

**1. Strategic Plan: Increase the availability of decent, safe, and affordable housing.**

PHA Goal: Expand the supply of assisted housing.

Objectives:

- Apply for additional rental vouchers as they come available (HCV, State TBRA Vouchers, VASH, HOPWA, FUP, Replacement Vouchers, etc.). *The housing authority was awarded 25 HUD VASH vouchers to serve veterans. The agency has one pending application for the Family Unification Program. In addition, the agency has applied for a previous FUP and Non-Elderly Disable vouchers. Although these applications were not successful the agency will continue to apply as these and like vouchers come available.*
- Reduce public housing vacancies turn around time by utilizing staff and contract work more effectively. The housing authority will out perform or meet HUD's required time table for unit turn around. *The agency has improved on public housing vacancy turn around time for both make ready and lease up by five days on average. This allows quicker access to affordable housing for those on the waiting list.*
- Seek funding sources to acquire/build new units through non profit. Add 100 units over the next five years. *The agency continues to look for opportunities for new development or acquisition rehabilitation to increase affordable housing. The agency plans to participate in the development of housing for the homeless in the Ogden City area.*
- Consider the sale and/or development of Building and Land located at or around 924 24<sup>th</sup> Street. If developed, agency would consider both single family dwelling and/or multifamily subject to zoning. *The agency is in discussions with the City regarding a possible sale of this property.*

PHA Goal: Improve the quality of assisted housing

Objectives:

- Improve and maintain public housing management to High Performer status. *The agency is working very hard to manage low rent housing to meet High Performer status.*
- Improve voucher management to 100% next five years (SEMAP score). *The most recent SEMAP score was 100%.*

- Increase customer satisfaction: Provide ongoing training as needed in customer service and technical training on HUD regulations as they relate to housing. Review and update policies to better serve clients and allow staff to work more effectively. *The agency continues to provide training for staff.*
- Maintain an average or better three-day work order completion. *Current average is 2.8 days.*
- Renovate or modernize public housing units: Implement green initiatives and work towards making units energy efficient. Provide air conditioning at all sites to improve the quality of life. Modernize interior and exterior to include mechanical systems to make units more marketable and improve curb appeal. Have Physical Needs Assessment prepared to target the needs of public housing stock with agency's capital funds. *Physical Needs Assessment has been prepared and used as a tool to meet the needs of public housing.*
- Demolish or dispose of obsolete public housing: Consider the disposal of Sierra Apartments and reinvesting in additional units. Will seek for replacement vouchers for disposed units and for opt-out owners. *Considering a disposition application for Sierra Apartments.*
- Analyze the needs of each property to insure safety and security. The agency works with the local police department to *contract after hour security as needed.*
- Provide rent increases to Section 8 private landlords that improve housing for tenants, subject to funding availability. *Ongoing*

PHA Goal: Increase assisted housing choices

Objectives:

- Conduct outreach efforts to potential voucher landlords: Continue outreach through community participation (guest speaking, involved with community activities and boards). *Staff have represented the agency at several events and will continue to stay involved throughout the community. In addition, the agency has provided legal training for landlords.*
- Convert public housing to vouchers. As conditions warrant conversion. *Will seek for a conversion of vouchers with the disposition of public housing.*

## **2. Strategic Plan: Improve community quality of life and economic vitality**

PHA Goal: Provide an improved living environment

Objectives:

- Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments: *If we have higher income households available on waiting list or willing to transfer*
- Implement public housing security improvements: more lighting, cameras, guards as necessary. If necessary meet with local police to address the need of extra patrol. Continue to meet monthly with community policing to discuss and address the needs of each community. *The agency continues to meet with community police to address issues related to low rent properties and has provided off duty police officers address security needs.*
- Designate developments or buildings for particular resident groups (elderly, persons with disabilities): Consider Lomond Gardens and/or Kimi Lane as elderly. *Have not pursued at this time.*

- Explore the possibility of smoke free units at all sites. *The agency has recently implemented a non smoking policy effective January 1, 2011.*

### **3. Strategic Plan: Promote self-sufficiency and asset development of families and individuals**

PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

- Increase the number and percentage of employed persons in assisted families: *Delay rent increase for working households when earned income increases. Make qualifying tenants aware of the Earn Income Disregard. Request tenants that are zero income to provide community service.*
- Provide or attract supportive services to improve assisted recipients' employability: *Continue to reach out to other services in community to direct clients to personal development opportunities. Partnership with other agencies to provide self sufficiently training/awareness. Provide adequate information to both clients and staff of resources.*
- Provide or attract supportive services to increase independence for the elderly or families with disabilities. *Continue supporting service agency collaborative efforts through attendance and being proactive.*
- Provide recognition for tenants and clients who are succeeding.

### **4. Strategic Plan: Ensure Equal Opportunity in Housing for all Americans**

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Objectives:

- Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability: *If there is an opportunity, participate on boards and activities that promote equal opportunities for housing. Continue to provide training and education to staff. Recently updated affirmative action plan to meet HUD's guidelines.*
- Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability: *Provide housing standards that are non discriminative for all tenants served. .*
- Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required: *Analyze current housing stock for opportunities to provide or maintain accessible housing. Agency used ARRA funds to renovate two units at Lomond Gardens to meet ADA.*

### **5. Strategic Plan: Provide opportunities for agency to build capacity and self sufficiency**

PHA Goal: Develop office space for administration of programs.

- Housing Authority plans to **develop** an office site located at approximately 1050 Grant Avenue, Ogden, Utah for both administration of programs and maintenance department. The agency plans to use administrative reserves from both Low Rent and Section 8 programs to fund the development. The agency currently leases property and feels that if it owned its own space the savings from not leasing would build capacity and benefit the administration of programs. *This has been accomplished. The agency has recently moved into its new office as of January 1, 2011.*

- b. The Ogden Housing Authority defines a substantial deviation: As long as the change is within our mission statement and HUD regulations, it is not considered a substantial deviation from the Five Year Plan.

The Ogden Housing Authority defines a significant amendment or modification: As long as the amendment or modification to the Annual Plan is within the scope of our mission statement and HUD regulations it will not be considered significant.

- c. The housing authority does not have any memorandum or agreements with HUD as a result of performance.

OMB No. 2577-0226

*Resolution 633-04-11*

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:  
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

*Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the \_\_\_ 5-Year and/or ☒ Annual PHA Plan for the PHA fiscal year beginning July 1, 2011, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:*

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
  - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
  - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
  - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.

  - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
  - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
